GASTRONOMY

WITH A NARRATIVE BEHIND EACH DISH

On Rafaheya, gastronomy is a refined journey shaped by story and place. Our full board experience, including mineral water, soft drinks, and selected hot beverages, begins with a welcome reception to meet our dedicated crew. Carefully curated menus crafted with produce from Rafaheya Farm transform each meal into a cultural expression of Egypt, while themed dining evenings and signature tea times blend storytelling, artisan flavors, and the serene presence of the Nile. Multi course gourmet dinners served on deck and tailored celebrations for special occasions complete an experience designed to be both elegant and memorable.

RUSTICA

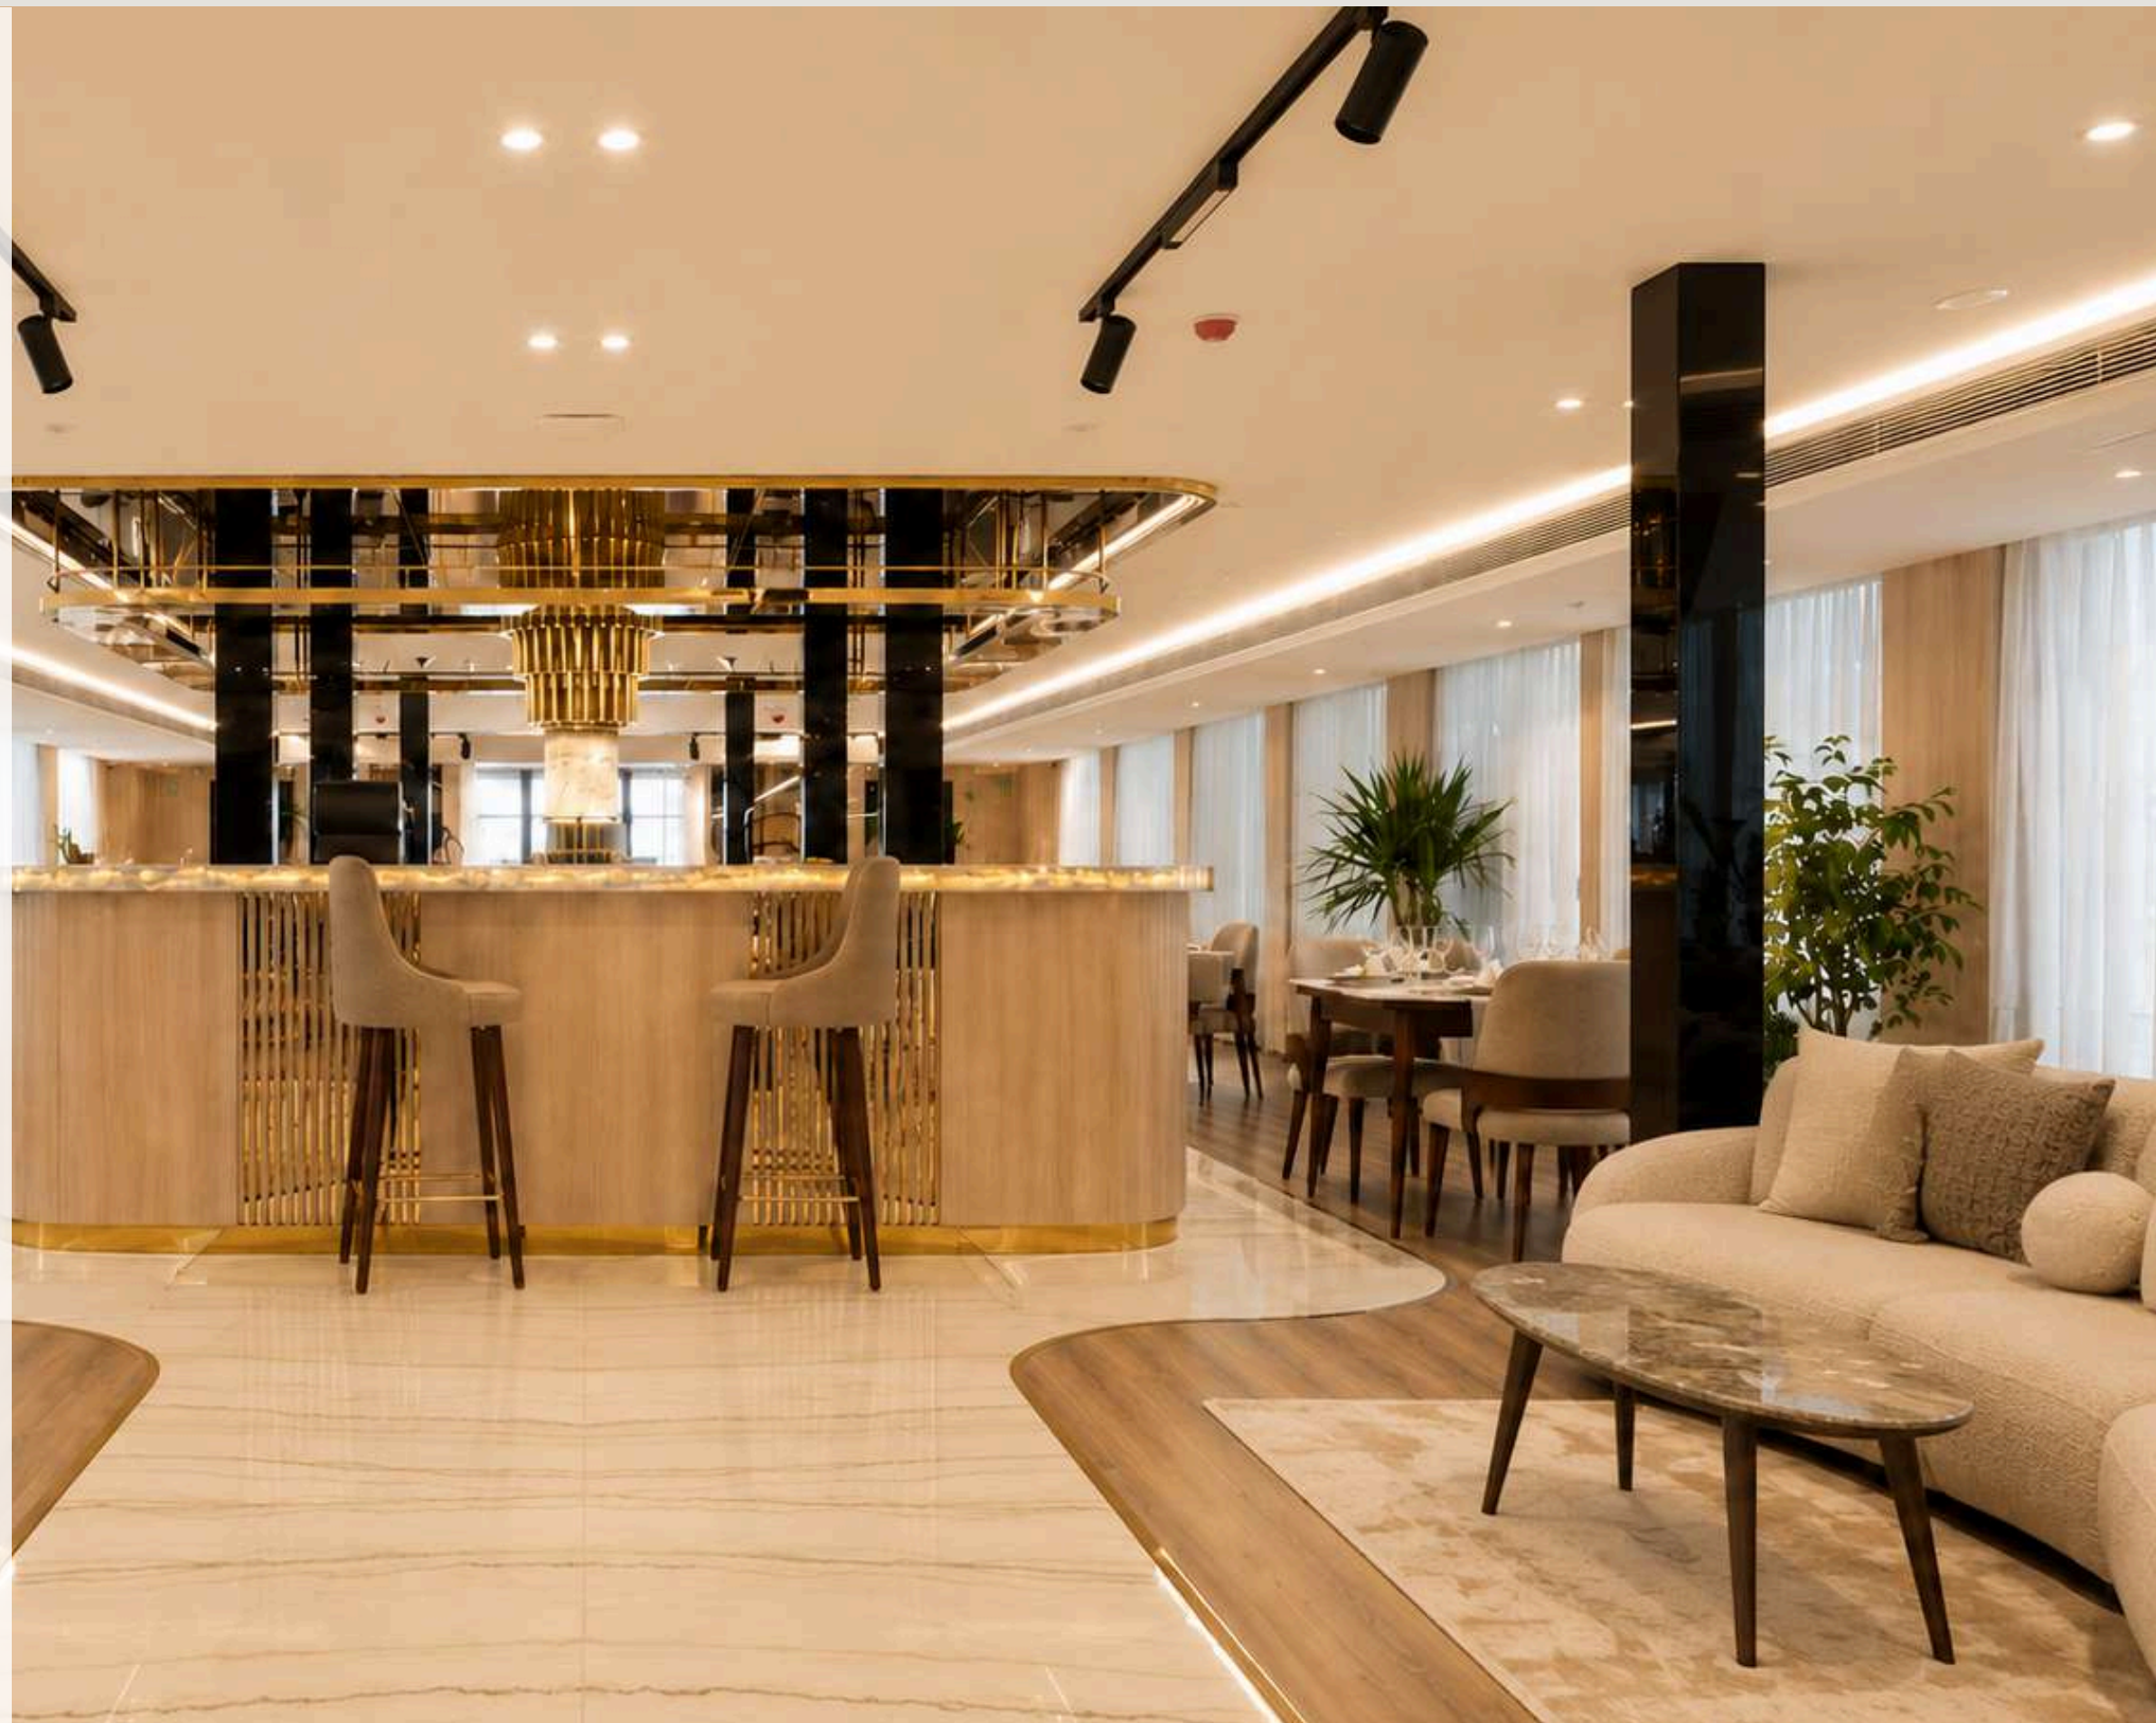

Indoor Restaurant

With full board accommodation, dining at Rustica becomes a journey into Egypt's culinary heritage reimagined with modern grace. The Master Chef of Rafaheya has composed à-la-carte menus with dishes that have evolved through time and are deeply rooted in both history and culture. The menus take inspiration from recipes found on temple walls that have withstood the test of time, bringing to life ingredients once presented to the Gods — market-fresh vegetables and fruits, poultry, and traditional Egyptian bread. In this serene indoor setting, each carefully curated meal becomes an homage to ancient flavors revived with contemporary elegance, inviting guests to slow down, savor, and let the river's quiet rhythm frame the experience.

ROSETTA *Bar & Lounge*

Rosetta is the heart and soul of Rafaheya — a place where guests are embraced by timeless Egyptian hospitality, whether at the Captain's Welcome Cocktail or during the traditional Nubian teatime. Crafted cocktails, fine wines, and fragrant herbal infusions flow as easily as conversation, in an atmosphere that remains warm yet refined. It offers the perfect pause after a day of discovery — welcoming, relaxed, and truly timeless, capturing the genuine spirit of the Nile and its people.

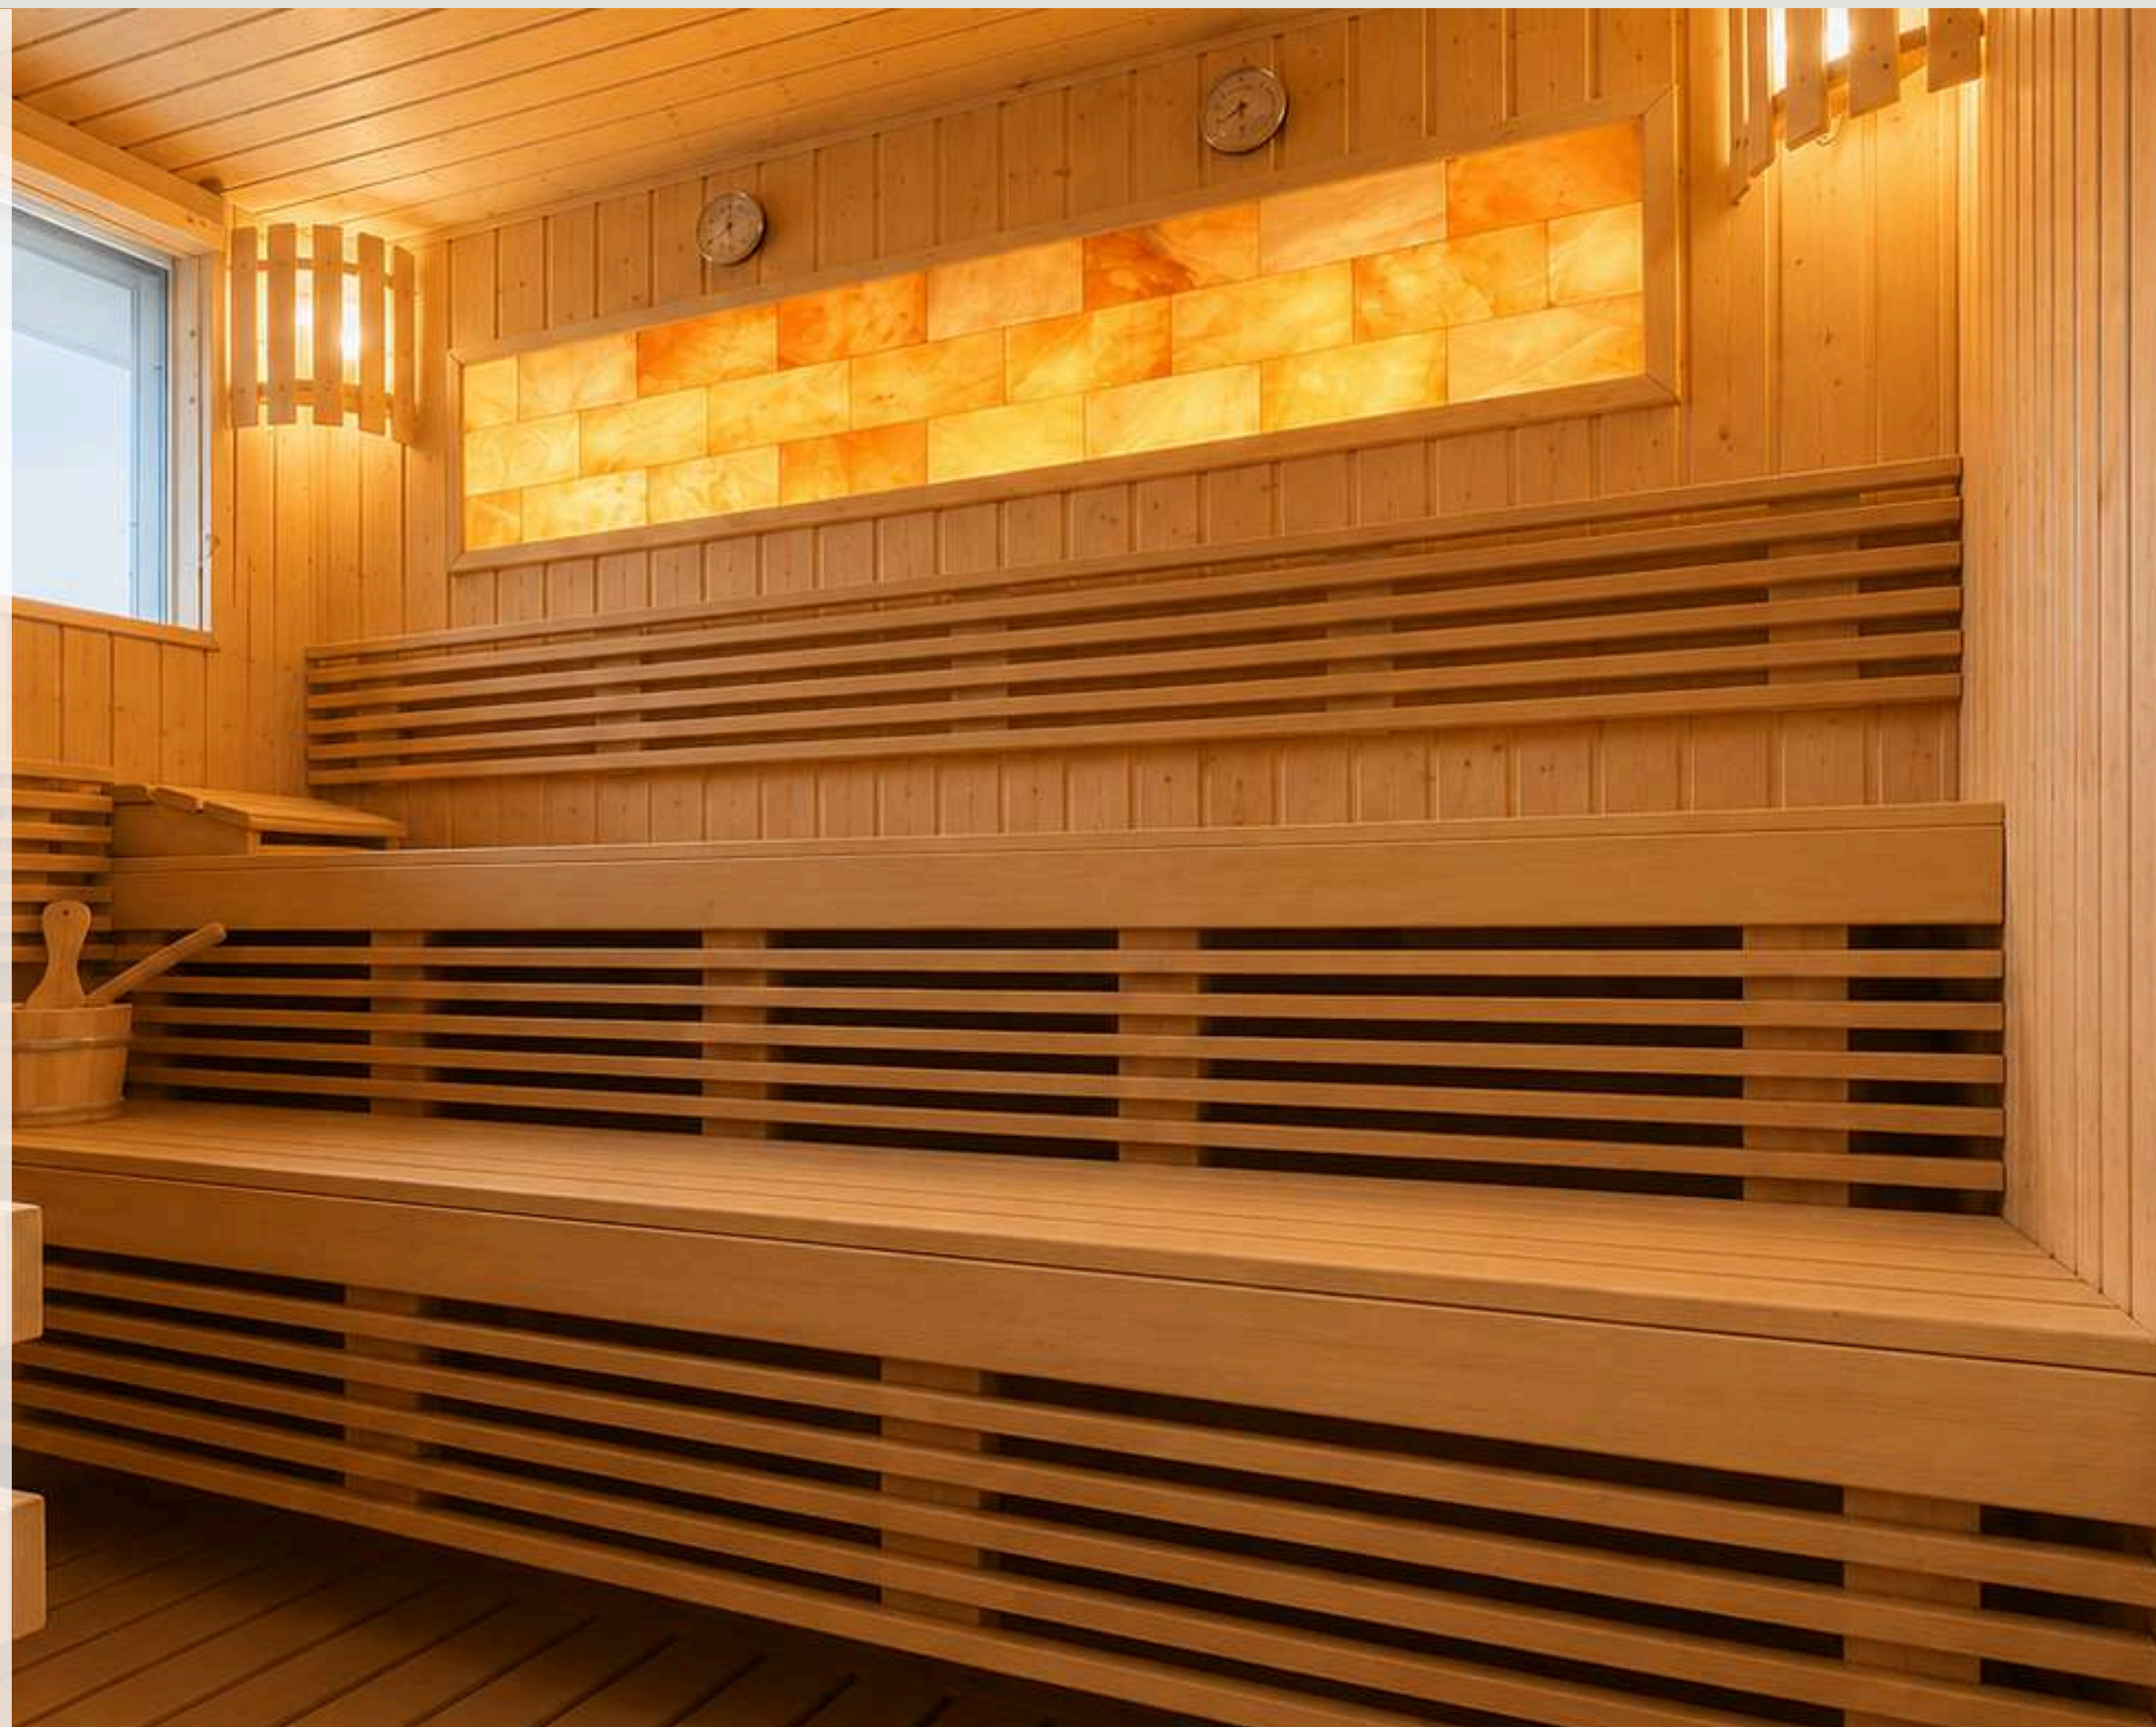

RASA
Outdoor Restaurant

Located on the stern of Rafaheya, Rasa transforms dining into an encounter with the Nile itself. Beneath the vast sky, barbecues and grilled specialties are prepared over open flames according to traditional recipes, their aromas carried by the evening breeze. Here, the timeless act of sharing food celebrates Egypt's national culinary treasures and regional ingredients, beautifully merged into delicious buffets accompanied by traditional music. Each meal becomes an alfresco celebration of heritage and togetherness, set against golden sunsets and starlit nights.

REFLEX
Wellness Centre

Reflex Wellness Center is thoughtfully designed to offer a complete and elevated wellbeing experience. Guests may indulge in a private sauna and steam room, book personalized massage treatments, unwind in a therapeutic massage chair with dedicated foot tub ritual, or rejuvenate beneath the hydromassage shower, each element curated to restore body and mind in an atmosphere of refined privacy (additional charge). Complementing the spa, the Nile View Gym features state of the art fitness equipment within an elegant, light filled space overlooking the river, offering not simply a place to exercise, but an exclusive sanctuary where vitality and the serene presence of the Nile come together.
